**Greenwood Lake Theater
Presents "Proof" by David Auburn
at the Warwick Institute of Culture**

(Greenwood Lake, NY) Greenwood Lake Theater presents *Proof*, a play by David Auburn, in partnership with The Warwick Institute of Culture ("The Wick") located at 46 Bowen Road, Warwick, NY 10990 (the former Kutz Camp). Show dates and times are Friday and Saturday, November 4-5 and 11-12, 2022 at 7:30 pm, with matinee performances on Sunday, November 6 and 13 at 2:00 pm. Tickets are \$30 general admission, and \$25 for students/military/seniors. Running time is two hours with one 15-minute intermission. Tickets are available online at www.greenwoodlaketheater.org.

Proof is the story of an enigmatic young woman, Catherine, her manipulative sister, their brilliant father, and an unexpected suitor. They are all pieces of the puzzle in the search for the truth behind a mysterious mathematical proof. *Proof* was awarded the Pulitzer Prize for Drama and the Tony Award for Best Play in 2001.

The cast includes Katherine Weatherford as Catherine, J. Michael Reeds as Robert, Mary Virginia as Claire and Xander Jackson as Hal. The production is directed by Casey Morris and the Technical Director is Dean Mahoney. Ms. Weatherford, Ms. Virginia and Mr. Reeds appear through the courtesy of Actors Equity Association, the union of professional actors and stage managers in the United States. On playing the role of Catherine, Ms. Weatherford said, "It is an amazing experience as an actor to dive into a character this complex. Catherine is grappling with the loss of her brilliant but mentally ill father, figuring out her future, struggling for a place in her chosen field of mathematics, and, most of all, her deep concerns over her own mental health. The characters in this play are so beautifully written. They are deeply flawed and wonderfully human."
